July 15, 2011

Dear Diego Pereira Espinoza:

As a result of market conditions that have become increasingly difficult, Roundbox Media S.A., with legal writ 3-101-421172, has taken a series of measures to reduce operating costs. Unfortunately, the company has decided to terminate the current 3 years of employment relationship that it holds with your person as Software Engineer I. This dismissal does not reflect in any way a deficient performance, and neither is measure of your growth potential in Roundbox Media. However it is necessary to do it, in order to the company can continue operating successfully in the future. Your last day in Roundbox will be July 15, 2011. Attached to this letter, you will be given payment details of Employee Benefits in accordance as stipulated in the Labor Code of Costa Rica.

Please, any question or doubt arising, regarding the termination of your contract, please direct it to Ignacio Munguia (ignacio.munguia@idhasoft.com).

We wish you the best of luck in your future plans.

Ignacio Munguía Molina

Manager, Costa Rica.
